Nomination Form

Nominations should normally be submitted to the Society within 6 months of the incident.

Please summarise, on the form, the relevant details from any evidence eg witness statements you have.

If an official investigation is to take place, please do not submit your nomination until the findings are known.

Nominations from serving police or fire services officers should be processed and authorised via the CC's office or Awards Department at HQ. They'll send the authorised nomination on to us and, from then on, we'll liaise with their designated point of contact.

1. Full name, address and age of your nominee(s). Only one form is necessary for all the nominees involved in an incident. List all their names here.	
2. Have you told the nominee(s) you've nominated them?	
3. Has the nominee(s) agreed to publicity? Has the person(s) saved agreed to publicity?	
4. Have you recommended the nominee(s) for any other award?	
5. Full name, address of the person(s) they tried to save or resuscitate	
6. Was the attempt successful?	
7. Time, date and place of incident.	
8. Give a full description of the weather and other conditions at the point where the incident took place eg For sea, river, dock, canal, lake, reservoir and pond incidents, give details of distance from the shore/bank, depth, currents, tide and visibility etc For cliffs, building, viaducts and bridge incidents, describe the structure, height, drop, access, obstacles etc For fire incidents, describe the extent of flames or smoke and indicate the likelihood of explosion etc	
9. Exact details of what happened at the incident and what action the nominee(s) took. For several nominees, distinguish carefully who did what. Please extrapolate relevant information from the evidence and/or statements you have and type all the details on this form. (The space will expand as you type in the box.) If you're completing this form by hand and need extra space, please use continuation sheets,	
10. Was the nominee's life at risk? To what extent? This information is essential for assessing the level of bravery and not usually relevant for resuscitation awards.	
11. Did the nominee(s) involved in the incident need medical or other care afterwards?	
12. Give your full name and address and other contact details (phone, mobile and email, where applicable)	
13. Sign here, if you are sending the form in the post, or, if submitting this by email, use a scanned authorised signature, where available.
